## **Ocean Medical International Ltd, yacht Medical Kit suppliers, appoints new Sales & Marketing Manager**

**Ocean Medical International Ltd** announces the appointment of Nicholas Stael von Holstein to the new position of Sales & Marketing Manager. Nick, who is a licensed USCG & RYA Captain and seasoned Medic First Aid Instructor, joins the OMI team, based in Palma, Mallorca, Spain to develop the company's international sales & operations. A seasoned traveller with first-hand knowledge of the yachting industry, Nick has worked extensively throughout the USA, Mediterranean, Caribbean and Mexico.

**Ocean Medical International Ltd** medical kits use the unrivalled, easy to use OMI System of Medical Care at Sea, designed specifically for yachts. The OMI System can be found on many of the largest and most high profile yachts in the world. Manufacturing high quality medical supplies since 1993, the company has been developed, and is staffed and controlled, by medical personnel experienced in the field of emergency and remote medical care.

**Ocean Medical International Ltd** (*formerly known as MBC Medical Supplies*) provides a number of services including a range of comprehensive, safe to use medical kits for any size of craft from Day Cruisers to Super Yachts, a telemedicine/radio-medical advice service and MCA Medical Courses for seafarers. This new appointment is expected to further increase the company's profile in the yachting community.
