OCEAN MEDICAL INTERNATIONAL ANNOUNCES MONACO YACHT SHOW  
2005 PRIZEWINNER

Ocean Medical International has announced the winner of the Prize Draw entered by attendees at the recent Monaco Yacht Show. The winner is Phil Harris of Row4Life. His prize is a fully automatic blood pressure machine as featured in Ocean Medical International medical kits.

“The prize could not have gone to a more worthwhile cause,” said Ocean Medical International Medical Director Dr Ian Marshall. “In November Phil with Charlie Woodward-Fisher will be competing in the Atlantic Rowing Race to raise money for The Royal Marsden Cancer Campaign and Tommy’s, The Baby Charity. Their aim is to row 2,900 miles across the Atlantic in 50 days. They had their rowing boat at Monaco and I was very impressed by the challenge they are undertaking for charity.”
